Acceptance Deferral Form

Accepted students who wish to defer their enrollment into the College may do so for a maximum period of one calendar year from the semester accepted. Students may choose to begin classes earlier than the semester indicated, but no later. Only one deferral is allowed, and cannot be extended beyond the semester selected.

If you have not paid \$200 deposit, you must do so in order to defer. Your deposit may be paid using any of the following options:

- Check, money order, cash or card in person
- Check or money order via postal mail
- Card over the phone by contacting Admissions below or the Welcome Center at 617-322-3517

Please note that if you have been notified that you need to test as part of your Admissions process, you will still need to do so prior to the start of the semester that you are deferring to. Registration information will be sent to all deferred students for the semester indicated. Students wishing to enroll in a semester earlier than their indicated deferral date must contact the Office of Admissions.

For all questions regarding deferral, beginning the registration process, or withdrawing your application, please contact the Office of Admissions at (617) 322-3575 or email us at admissions@laboure.edu.
