Labouré College Scholarship for Steward Health Care Employees

Verification of employment required to receive this scholarship. Students in degree or certificate programs who work at least 16 hours per week at a Steward Health Care facility receive a scholarship for 25% of the cost of their courses. Students who work at least 8 but less than 16 hours each week receive a scholarship for 10% of the cost of their courses.

This form must be submitted prior to semester start date to receive the benefit for that semester.

Students are allowed up to one per semester of the following College scholarships: Alumni Tuition Benefit*, BSN*, Catholic High School*, Steward Health Care Employees* and LPN Scholarship*. If multiple scholarships apply, the scholarship with the most benefit to the student will be posted to the account. Students can receive certain College scholarships, or a tuition benefit only once per course.
